

# FISCAL NOTE

## SB 183 - HB 1218

April 3, 1997

**SUMMARY OF BILL:** Creates *inactive license* categories for certain professions which would allow them to perform only pro bono work for certain individuals, and would exempt them from the professional privilege tax. The professional tax does not currently apply to professionals who are inactive or retired.

### ESTIMATED FISCAL IMPACT:

**Decrease State Revenues - Less Than \$100,000**

Assumes that state revenues would decrease to the extent that the affected professionals choose to inactivate their license and perform only pro bono work for the indicated individuals. Such decreased collections from professional privilege taxes are estimated to be less than \$100,000, since it is assumed that the number of such professionals would be small.
